Internship Certificate

We present this certificate to

Mr. Lavkhush Pandey

In appreciation for your successful work as an Intern at

Talakunchi Networks Private Limited

The Internship was conducted for 30 Days.

During this period, his primary responsibilities included enhancing security practices within our cross-functional cybersecurity team, developing solutions to strengthen threat detection and mitigation, and supporting tasks related to data extraction, threat intelligence, and model development.

His contribution to the Squad-I department has been immensely valuable and useful to the company.
